

2014 ON-SITE FITTING PROGRAM

Let us bring the Tumi flagship store experience to your next event!

- Pre-event assistance with a range of product choices. We'll stay within your budget and provide an onsite sampling of 6-12 bags for your participants to "shop"
 - On-site fitting expert to match your participants with the right bag
- Following the event, we will monogram or customize your participant's choice with your logo and ship it right to their home or office
- On site take-away gifts available; passport covers, wallets, business card holders, travel electronics
